Dear Mr. Šakanović:

Thank you for your e-mail.

The World Bank is working with the authorities in Bosnia and Herzegovina (BiH) to prepare a project aimed at improving regional transport connectivity and enhancing road network management in the country, including the construction of the Foča–Šćepan Polje road. However, before any contracts can be signed, the project must first be approved by the World Bank Group's Board of Executive Directors. At this time, the project is prepared and ready to be negotiated and is expected to be submitted to the Board for consideration in early 2025.

For more detailed information about the proposed Sustainable, Integrated and Safe Road Infrastructure Project for BiH, please refer to the publicly available documents on our website: <https://projects.worldbank.org/en/projects-operations/document-detail/P502979?type=projects>

Sincerely,

World Bank Country Office in Bosnia and Herzegovina
